

# YOUR CHILD CAN BEGIN LEARNING **SCIENCE** AS EARLY AS **PRESCHOOL**

“Children are natural **SCIENTISTS**: not only are they *inquisitive* and **ENERGETIC**, but they have an **INSTINCT** for controlled experimentation.”

SCIENTIFIC AMERICAN

Supporting **STEM initiatives** as a Diamond Supplier of the 2013 **FIRST** Competition ([www.usfirst.org](http://www.usfirst.org)) **BISHOP-WISECARVER GROUP** has been a supporter of **FIRST** since 2007

Bishop-Wisecarver Group is a WBEVNC certified woman-owned family of companies who work with manufacturers to engineer, produce, and build linear and rotary motion solutions, custom complex assemblies, and optimal embedded intelligence systems.

“THE GOAL OF **SCIENCE EDUCATION** AT THE EARLIEST LEVELS SHOULD BE TO ENCOURAGE AND REFINE **CHILDREN’S INNATE LOVE OF EXPLORING THE WORLD AROUND THEM.**”
